Re: Amateur Radio Service Club Station Call Sign K4WCF

Dear Mr. Toth:

This is in response to your letter dated July 20, 2005 regarding the above-referenced amateur club station license.¹ Based on the information before us, we conclude that two applications to change the name of the club trustee and the name of the club were submitted without authorization. Consequently, for the reasons set forth below, we will correct the Commission's licensing records to reflect the prior trustee and club name.

By way of background, a club station license was granted to the West Central Florida Group on December 21, 1999. Dave E. Armbrust, AE4MR, was identified as the club trustee. On June 2, 2005, we received an application to modify the license to change the trustee to Gerald D. Turner, N4GD.² That application was granted on June 2, 2005. On June 22, 2005, we received an application to update the license information by changing the name of the club to West Central Florida Section.³ That application was granted on June 22, 2005. On July 20, 2005, you submitted a response to these applications, indicating that the board of directors of West Central Florida Group, Inc., of which you are president, did not designate Mr. Turner as club trustee, that the June 2005 applications were submitted without the board's knowledge or approval, and that Mr. Turner is not a member of the club.

Section 97.5(b)(2) of the Commission's Rules provides that a club station license grant may be held only by the person who is the license trustee designated by an officer of the club.⁴ Based on the information before us, we conclude that Mr. Turner was not authorized to request changes to the club trustee and club name. Therefore, grant of those applications is void.⁵

³ File No. 0002212121 (June 22, 2005).

⁵ See William D. Willard, *Memorandum Opinion and Order*, 19 FCC Rcd 1482, 1483 ¶ 1 (WTB PSCID 2004); see also, e.g., Pacific Wireless Technologies, Inc., *Order*, 18 FCC Rcd 7833, 7835 ¶ 3 (WTB CWD PRB 2003); Comtex Communications, Inc., *Memorandum Opinion and Order*, 16 FCC Rcd 4784, 4785 ¶ 5

Consequently, we will correct our records to reflect the trustee and club name information that was associated with the license prior to the filing of those applications.⁶

Accordingly, IT IS ORDERED that, pursuant to Section 4(i) of the Communications Act of 1934, as amended, 47 U.S.C. § 154(i), and Section 1.41 of the Commission's Rules, 47 C.F.R. § 1.41, the Amateur Radio Service Club Station Call Sign K4WCF SHALL BE MODIFIED to the extent indicated above.

This action is taken under delegated authority pursuant to Sections 0.131 and 0.331 of the Commission's Rules, 47 C.F.R. §§ 0.131, 0.331.

⁶ You also indicate in your letter that the board wishes to designate Edwin P. Allen III, WA4ISB, as trustee of Call Sign K4WCF. In order to effectuate this change, an authorized person must submit the information to a Club Station Call Sign Administrator for submittal to the Commission, as required by Section 97.21(a)(1) of the Commission's Rules, 47 C.F.R. § 97.21(a)(1).
